"I hope you're ready for some hot shots because I'm a closet exhibitionist letting loose."

“One beautiful day I was shooting some naked pics on the 7 mile bridge. It was early so there wasn’t much traffic. But yeah, this one a-hole had to call the cops and ruin it for us. The cops found us and fined me $300. I was pissed but the cops were cool. They asked for my autograph. For real!”

Her little black dress and long stockinged legs make Kelsie one sexy, hot babe.

"The best sex I've had was after I got married. My ex was a bit of a nerd, tall and thin, but he had a ten inch cock that made up for everything – at least for a while."

"Since the divorce, I've mustered the confidence to go after the men I want. Now I'm the one on the prowl looking for a boy toy I can play with. I want them young and hung. My ex has spoiled my for big cocks. I'm only 5' 2" so a big cock sure feels even bigger!"

"I love fucking to romantic music. I'll put on some Mel Tormé and get my hips into the rhythm of the song. He's nicknamed *The Velvet Fog* and that's just what he puts me into.

One night I fucked from the beginning of his album *Nothing Without You* to the end; only stopping to flip the disc, and to cum a few dozen more times!"

"I haven't been with a girl yet, but I'm kinda looking forward to it. My best friend's girlfriend is gay and when we go out together, she's always suggesting we sleep together, but so far I've said 'no'."

"The next time I see her however, I'll be the aggressor and see if she wants to fool around. I think I can be a pretty good pussy licker. Don't you? If you call me now we can discuss it. Maybe I should just stick to boys. I know how to handle them."

Miranda is just getting home from the club where she's been since midnight. She's arm in arm with her BFF and they head on up the stairs to their apartment. "If you see me at a club and want to talk to me, come on over and introduce yourself. I'm very approachable. I even like talking on the phone to people I find interesting. It's amazing how much you can have in common with people you have never met. Call me and see.

The Good, the Bad and the Booty

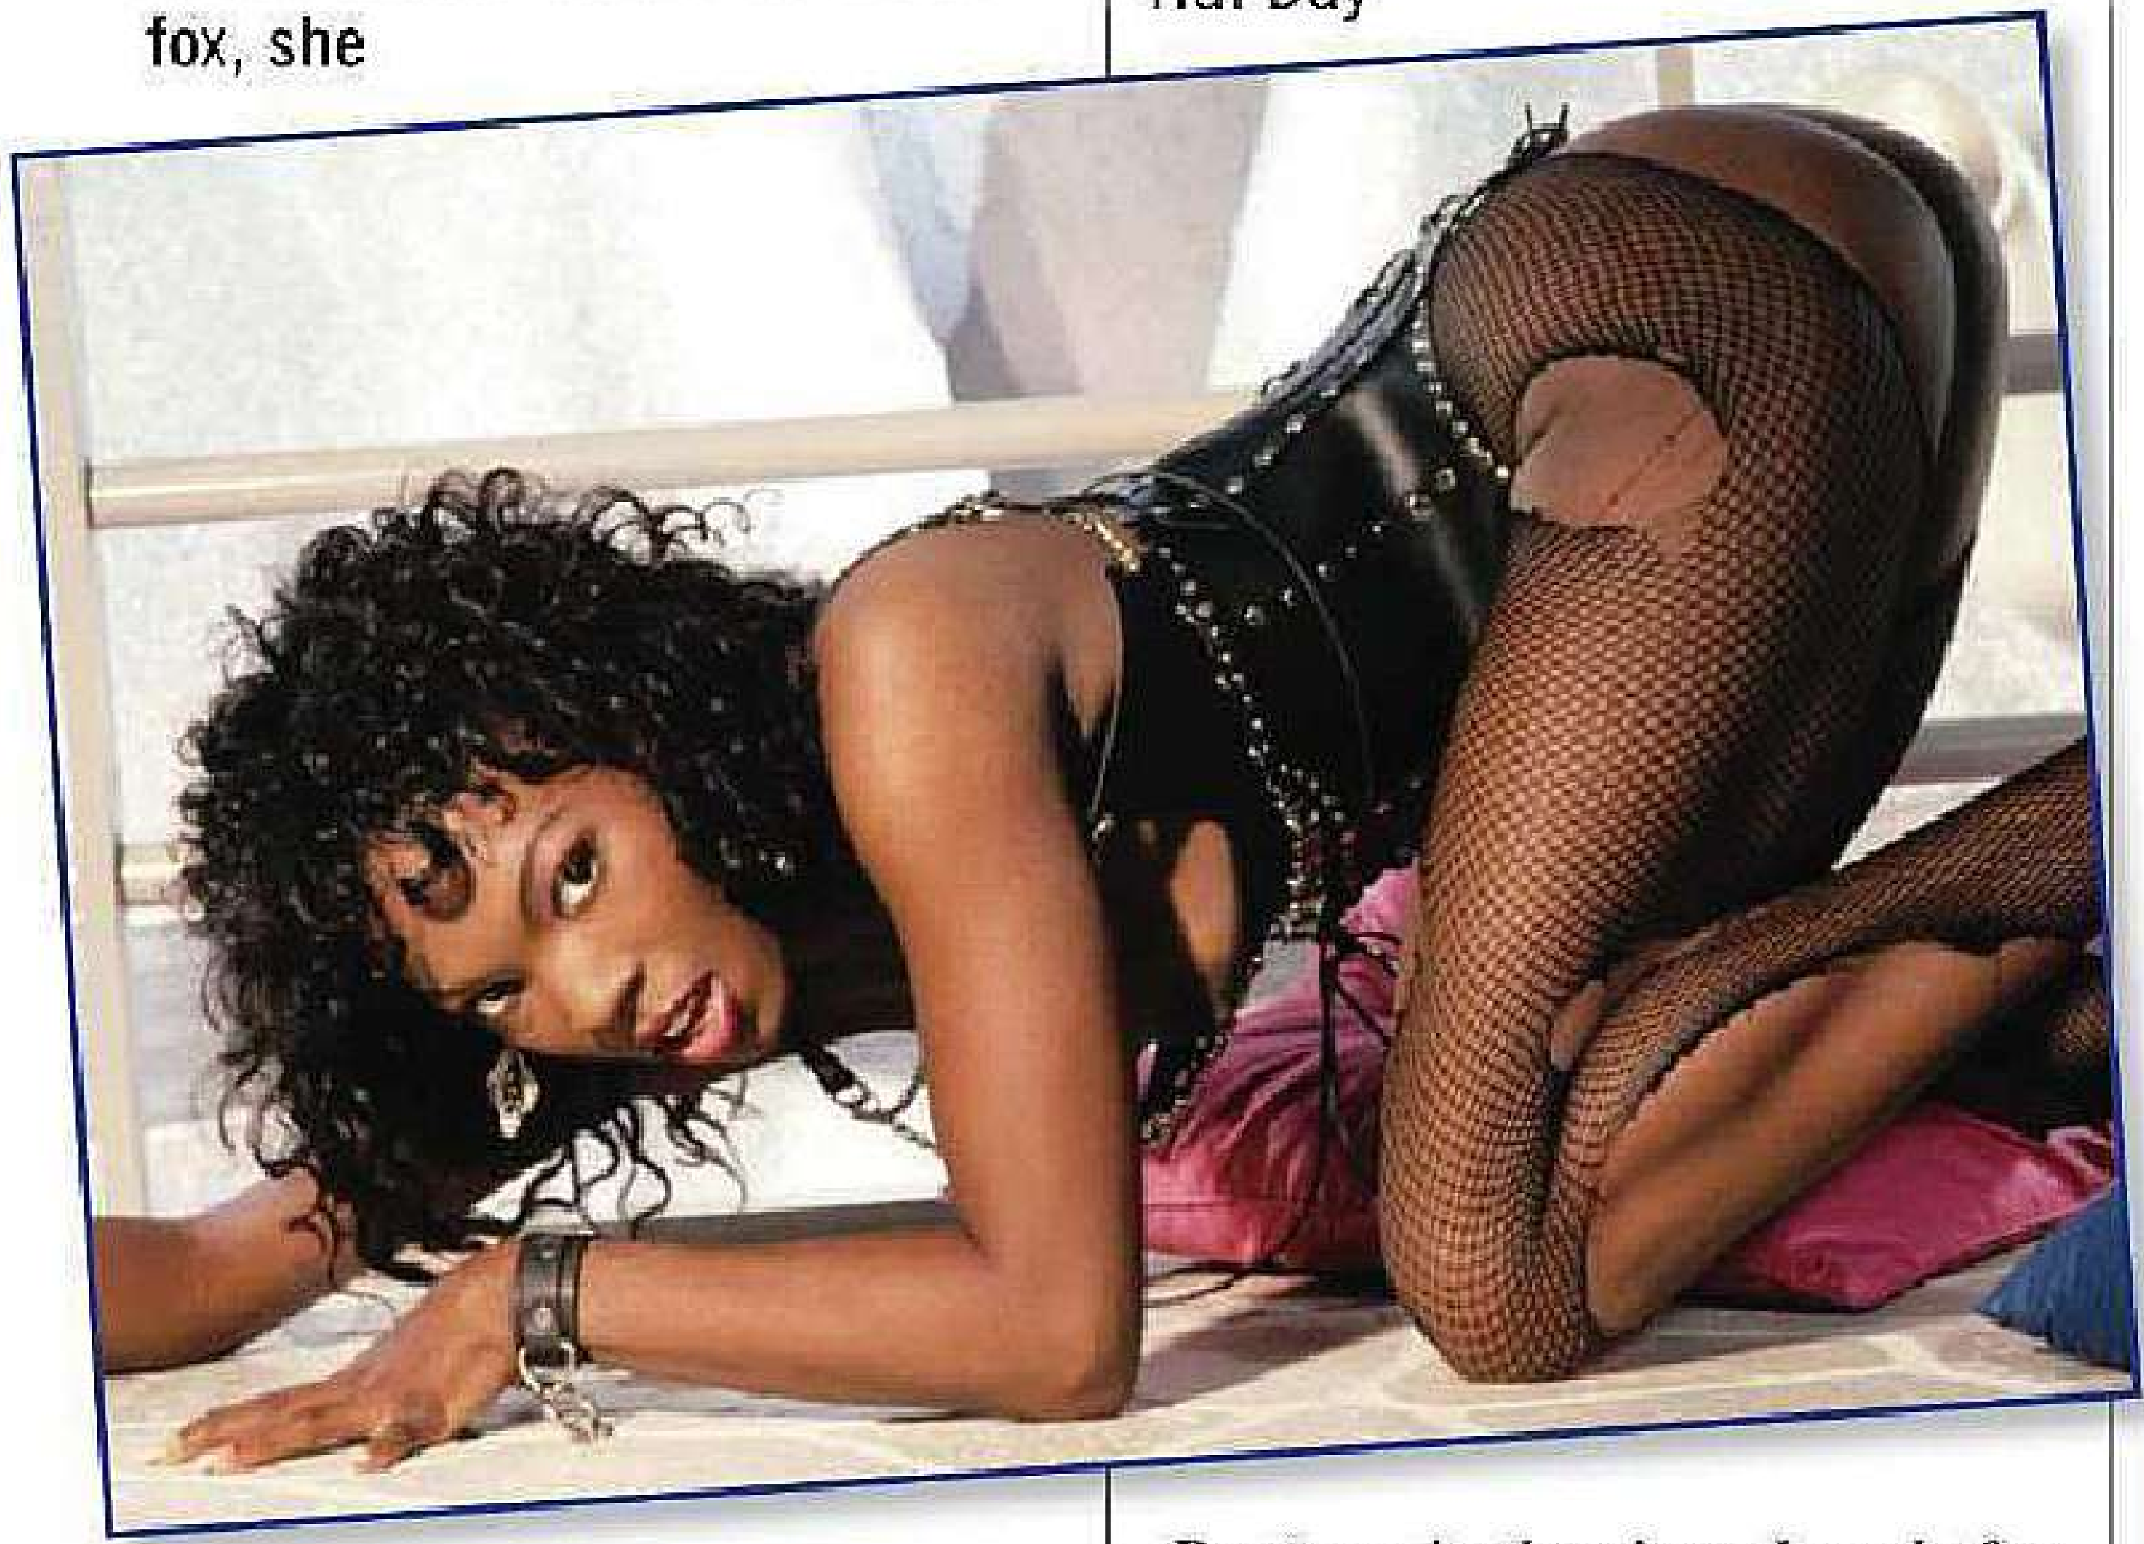
WHAT A FOX

I usually don't look at or even buy men's magazines or even write letters to them, but I was walking by a newsstand on Clark Street when I glanced over and saw the issue of Booty Call with Allanda on the cover and she stopped me in my tracks. I'm a photographer's assistant so when I saw the pictures inside, I was really blown away. Not only is she a fox, she looks like a professional model. And she's sexually hot, too. I'm sure you don't give out the private info on the girls, but, man, if there's any way you could send her a note to contact me if she's ever in the Chicago area, I'd love to work with her. Here's my cell phone number and address...

– Joachim, Evanston

Hey dudes, that one hot chick on the cover of your mag. What a fuckin fox. She could be my booty call anytime. Tell her she fine as wine.

– BJ, Detroit



Booty up in the air and ready for that backdoor man, Allanda heats up the pages of Booty Call, #29.

CASINO CAPERS

To the Editor,
Hey, you guys will like this. I know your magazine and have written before, but this is a good one that you just have to print in your magazine.

My name is Rashawn and I was to meet two other guys in AC (Atlantic City – Ed) and were going to play at the casinos for a couple days over the Memorial Day weekend. I checked into my room at Trump Tower and waited for their call to hit the table. That came about 9pm and I met them at the blackjack table.

Jerome was already there and then Stephon shows with this bangin babe on his arm. He introduced her as Seline and we all sat down at the table. After a couple hours of mostly losing hands we abandoned the table and went to the bar for some drinks. Seline excused herself for the powder room and we started jiving Stephon about bringing a chick to our boys night, but he told us that she was newly divorced and full of sexual frustration. She worked with him on Wall St. and needed to get away from the grind so he suggested AC for the holiday weekend.

Now don't get me wrong, she's a fine piece of ass, but she's going to upset our dynamic. Fifteen minutes later Seline is coming back, but has another hot chick with her. Settling down at our table, she introduces her as Kate and that they work at the same firm. Kate is a blonde white girl about 5' 6" with a very buxom figure with a very oversized ripe ass. So we drank and talked until about 2am. The later the night got, the hotter the conversation got and we all decided to go up to Stephon's room to continue the party.

We made small talk for a while and then eventually Seline and Kate started getting friendlier with us and we were right on it. Stephon started undressing Seline and Kate joined him as Jerome and I watched. From that moment on the heat began. The two ladies were about to be totally consumed by us three black studs.

Seline told Stephon that she wanted to suck his cock while we watched. He pulled it out for her to wrap her lips around. She looked at his rock hard chocolate stick and licked her lips, knowing that we were waiting our turn. She then greedily sucked the head into her mouth and slurped her way down his long cock. He moaned with surprise and mentioned he could not believe how good she sucked cock. She kept on sucking him and he warned her that if she did not stop,

ON A SIMILAR NOTE

Hanging out at clubs is fun, isn't it! You can end up doing the craziest things! Such as getting drunk, and stumbling home with an equally drunk woman. I was so wasted. I didn't even remember meeting this chick. I don't remember how we got to my place since my apartment is about ten miles from the club. I do somehow remember talking to her but remember nothing about the conversation.

We must have had more to drink at my place, I think. Everything's still hazy. She was hot, I think, and a bikini model. I think that made the sex better. Because I don't remember much but I think we had amazing sex for a long time. I should take a second here to congratulate myself on staying hard despite so much alcohol. She did well, too. It was fun, I think.

She was gone when I woke up, but I found her cell phone and it had pictures of us. She IS hot!

– Omar, Pittsburgh

The Good, the Bad and the Booty

he would be shooting soon. In the meantime Kate had settled herself between Jerome and me and we pulled out our cocks as she stroked and licked them. Jerome and I high-fived and settled back on the sofa to enjoy the sights and feelings.

Kate gave great head and seeing her blonde hair bobbing up and down on our shafts made it even hotter.

The two ladies switched and Kate went to Stephon and Seline came over to us and the bjs continued for the next half hour. We all came with Seline taking us both in her mouth and Stephon jizzed on Kate's hair by accident.

She ran off to the bathroom to wash it off and asked Seline to help her. I passed out and don't remember anything else except that I woke up on the sofa the next day with a splitting headache and my cock hanging out of my zipper. The girls and Jerome were gone and Stephon was still asleep. I slipped out and headed back to my room and slept the day away. Jerome called about 8pm and said he was with the two girls in his room and they wanted to get fucked since we all passed out last night. Well, at 8:01 I was knocking on Jerome's door. I'll write you soon and tell you how it went in Jerome's room.

WALL BANGERS

I'm writing because I need to vent and I know you guys kinda listen. My wife and I live in an apartment in Denver with very think walls, floors and ceilings (apparently). About two months ago we were awakened one morning to some weird noises. At first, I thought it was a ceiling fan or something but it only took a minute to figure it out. A lady's voice narrowed down the possibilities and the long deep groan at the end was the clincher. It was the couple upstairs having sex. My wife and I were kind of embarrassed at first but it got my wife in the mood and we started having sex, too. My wife has a great sense of humor and loves practical jokes so she started moaning and groaning just like what we heard from above. I got in on it too and let out this way-too-loud climatic groan just at the right time.

The next night they started up again and we couldn't wait to join in. When we heard them going at it, we pushed the envelope and totally out-do them, with moans and cries and screams of pleasure that I'm sure probably caused some commotion. It became sort of a fun contest for us to out-sex them, making sure we lasted longer and were much louder. We would do it against the wall hoping that they would feel the pounding. Apparently we had some sort of competitive drive we didn't know we had and that we really fed off. It was fun.

A few nights later, we were in the process of out-doing them when we heard incredibly loud noises from above our bedroom. What we heard was indescribable. It sounded as if the entire cast of Cats was upstairs having an orgy. Screeches, scratches, howls and screams. We were had to stop and wonder if they realized what we were doing and now they were trying to out-do us! What was going on up there? How could two people make so much noise? Yesterday morning we heard them two going at it again. My wife took off her T-shirt and jumped on top of me and what followed was some of the craziest sex we've had. Headboard slamming, yelling, squeals of pleasure. However, they were just as crazed, and we could hear them loud and clear as we pushed ourselves to be as wild as possible. Soon we hear her yelling "Deeper!" and my wife would yell back "Harder!" A really loud "Oh yeah, fuck me!" came booming back and then my wife screams out "I'm cumming – again!"

This is when I really realized what was going on. I pictured the apartment building in a cut-away view where you can see all the rooms with the outside walls taken off. It looked like a sex cartoon with couples in each room getting it on. We were basically participating in anonymous group sex! What started out as a small competition had gotten way out of control. What did our neighbors think? I couldn't help but laugh about it all.

In the end though, my wife and I were the one's that gave up. It was fun while it lasted and it kept our sex life interesting, but we didn't have the strength to continue. We admitted that they won and they let us know they did by banging hard for another night or two while we were silent. So now we just want to go back to having normal boring sex.

– Marcus, Denver

RENNA TOPS THE BILL

To the editors,

I'm writing to tell you how much I liked your issue with Renna on the cover and on the inside, but there were definitely not enough pages of her. What a stunning creature she is. I wish she was somewhere where I could adore her, even from a distance. And the super hot pictorial of Carmella and that guy. Man that was really hot, and she's got a great body and seems like she likes giving head. None of the girls I've dated act this way. Why can't I meet girls like these? Thanks anyway!

HONEYMOON BLUES

Hey you guys,

I know you get all sorts of stories about hot sex, but I've just got to tell someone about mine and I like the letters you've been printing. I have to write this quick because I'm at the office and gotta go soon, but before I forget it, I'm gonna do it.

A month ago we were newlyweds running from the church to a chorus of cheers and rice; then were off to our exotic honeymoon. The next morning we hopped on a plane to Jamaica with the excitement of a week of nothing but beach and sex before starting the rest of our lives together.

We were too exhausted to fuck that night but I had great expectations for the near future. So listen, I get up early with this raging hard on, but Janice, my gorgeous new wife, was already up. She was wearing a baggy sweat suit and her hair pulled back. Maybe she thought that she still looked sexy even in sweats and with no makeup on. Apparently she was out on the veranda exercising and hurt herself! She came over to the bed with a puppy-dog look on her face; big sad eyes and hands on her hips. She told me that she was doing toe touches when her back gave out. I asked if she was okay and she said she needed to lay down because the pain was increasing. That's when my cock's brain took over and I told her that she looked great in sweats and she was turning me on. She sat on the bed and I sat up and grabbed her. At first she pushed me away gently but firmly. "Boy, you are really hard up if you think I'm sexy in my sweats." she said. I was just a little breathless and pulled the covers down to show her my erection. I slipped my hand under her top trying to squeeze her nipple. "Tim, my back hurts, I can't do this now!" she complained, grabbing my hand and pulling it from her breast. I whimpered that this was our honeymoon and reminded her of all the fun sex things we said we would do. She said we would, right after her back got better, but now she had to lay down.

JERI'S HEAVENLY HUMONGOUS HOOTERS

Hot face and a natural flawless body to die for, our members salute Renna. If you haven't seen her layout, go get the issue now! – Ed.

Guys, that's the way it was for three days and I was going out of my mind. She spent everyday in bed or on the veranda staring at the ocean. When I tried to get close to her, she always complained about her back and I went away frustrated. Okay, so the other morning she gave me a quick hand job because I complained so much. After a few strokes I exploded because it was so pent up, and that's why it was a quickie.

Now it's the fourth morning of our honeymoon, only two days left, and I'm desperate. So rather than mope, I ordered a couple bottles of champagne and we sat on the veranda drinking. After polishing off one bottle, she said she felt better and got up pulling me to the bedroom. When we got there, she took off her clothes and got into bed. I went to the bathroom to relieve myself and when I came out she was snoring – naked face down on the bed. I was incredulous and horny as hell.

So, I took some lotion from the bedstand and spread some on her buttcheeks working it into her crack and slipped a finger inside her butthole. Strangely she spread her legs, seemingly to give me better access. As my finger slid in and out, her hips moved encouraging me to go deeper. I think she moaned in frustration when I pulled my finger out. I got up over her on the bed and put my cock in her butt and I could feel her hips rise up to meet it. I started slowly as not to wake her but my hormones kicked in and I started fucking her harder. Soft moaning sounds began to come out her mouth and her hips seemed to stay in my rhythm.

Then after one deep thrust, she seemed to awaken, looked back at me and gave me a sleepy smile. "Hi honey, happy honeymoon." she cooed. "Don't stop!" She worked herself onto her knees, offering her butt to my hot desire. I worked it some more as she reached between her legs and diddled herself into a screaming orgasm. Well as for me, I exploded my frustration deep in her butthole and collapsed on top of her and quickly fell asleep. For the next two days we fucked every minute trying to catch up for the lost time. So in the end, (no pun intended) it turned out to be a great honeymoon after all for the both of us.

SIMONE and MAXINE

When this pictorial came into our office, we literally creamed in our collective pants. Now, you understand that we look at thousands of pictures every year and see all sorts of women, but these two are by far the most beautiful sapphos we have ever seen. Either one could be a playmate. And the things that they do to each other are hotter than hot!

We kept our mouth shut to let you enjoy the ladies. There was so much good stuff that it was hard to pick even these pictures. But we did a pretty good job, now the rest is up to you. Have you ever spoken to a beautiful lesbian, and knew she was one? Now's your chance... Ask them anything you want, like – What's it like to be with another beautiful woman? Does she smell as nice as she looks? Did you like your asshole licked? Did you like licking her asshole? All you have to do is call!

Letters From Our Readers

When we go into the coffee shop, all we get served is coffee or an occasional espresso. Jason got a bit more...

WHAT'S IN THE COFFEE?

I too am a writer – for a local paper here in Boston and I've read some of your reader's letters. While I found most of them to be highly unlikely, what happened to me last month has changed my mind. I'd like to share that experience.

Janice is the owner of Downtown's Best, my favorite coffee shop. Probably in her mid-thirties, she was about ten years my senior. Someone once told me a tragic story about how she lost her husband and children in a bad car accident during a New England winter a few years back, and how she'd opened the café a year later with the insurance money. I'd been frequenting Downtown's Best for a while now. I liked the quiet, mellow atmosphere, and it was easy for me to write my column for the free weekly there. The words just seemed to flow. I had never really spoken much with Janice – or the other baristas for that matter – other than register banter and the occasional passing smile when per chance our eyes would meet. Little did I know that tonight would change all that.

I was working late in the coffee shop, an early morning deadline looming over my head. Outside, rain was coming down in torrents, and the café had been pretty dead all evening. Beside Janice, the only other people in the café were a couple who seemed to be very much in that stage of a relationship where they couldn't get enough of each other. Giggling, flirty, and affectionate I just knew they couldn't wait to finish their lattes and head home to bed to take their games to the next level. The guy even kept attempting to pull down the girl's top as she playfully blocked his advances.

Soon I noticed the couple putting their cups in the bus tub and heading for the door. Janice came around the counter and began wiping down the tables in preparation for closing. I glanced at my watch – 30 more minutes until close – and kept on writing. All of a sudden I heard Janice exclaim, "Oh shit!" I looked up to see that she had absent-mindedly knocked over the remains of an iced drink on the table directly in front of me. As she bent over to wipe up the spilled coffee my eyes drifted to the dip in her tank top that proudly displayed her ample cleavage, her breasts bobbing as her hand circularly caressed the coffee and ice from the table. I could tell she was embarrassed as she muttered apologies to me as she cleaned, but I was too mesmerized by her swaying tits to care. Totally distracted from my work now and enjoying the show, my cock sprang to attention. Unexpectedly, she looked up at me, totally catching me off guard. It was obvious that her tits had become the focus of my attention.

Now it was my turn to be embarrassed. I expected her to chastise me for staring rudely, but her frown quickly turned to a smile and she said, "Enjoying the show?" "I'm sorry for staring but your cleavage is amazing," I replied, still feeling caught in the act and not wanting to lie about it.

"Thanks. It's nice that you find my breasts attractive. It's been a while since I've

To the publisher of *MILFs*:

My name is Josh. I am 24 and I'm writing to you because I love older women and very much appreciate your MILFs and cougars that you photograph for your magazines. I guess my love for older women started back in high school when I had a huge crush on my social studies teacher, Mrs. Kelley. She was beautiful.

She had sandy hair and big blue eyes. She stood about 5' 6" and had these breasts that were way too big for her size. I'd often stare at her boobs during class wishing I could put my face between them and motor boat them! When she'd turn her back to the class, all the guys would give the thumbs up with a little wink. I have a feeling they all wanted to do it too. The photos of Ryley remind me a lot on my old teacher, will you please hire her again?

...She pulled her chair closer to me, leaned over, and began lustily rubbing my cock through my jeans...

had that kind of attention," said Janice as she put the towel and pulled up a chair at my table.

Not at all the response I was expecting... "Phew," I said, "I'm glad you're not angry."

At this point her Janice's nipples were threatening to rip through the fabric of her tank, making my already hard cock throb with desire. Janice flipped her hair out of her face and glanced down at her tits. "Can you believe that couple that was in here a little while ago? I thought I might have to clean up more than just lattes and crumbs tonight. I bet they're fucking their brains out right now. Watching them got me turned on, and watching you ogle me is adding fuel to the fire."

Feeling emboldened now, I wanted to see where this might lead. Worst case scenario, I might have to find another coffee shop to work at. Best case, well... who knows. Deciding to lay all my cards on the table I slid my chair back, exposing my massive erection. "You're not the only one who's turned on," I said. Janice's eyes lit up as they dropped to my crotch. Without saying a word she pulled her chair closer to me, leaned over, and began lustily rubbing my cock through my jeans. I responded by reaching a hand into the top of her shirt, underneath her bra, and cupping one of her breasts, feeling the weight of it against my palm as her hard nipple pressed into my flesh. Then Janice unzipped my fly and pulled my cock out into the dim light of the café.

"Nice. Real nice," she said as she began stroking me in earnest. I switched hands and gave her other titty some deserved attention, encircling her areola and pinching her nipple. Janice leaned over further and brushed her lips against the tip of my cock before giving it a kiss. Then she hopped up and ran over to the door, locking it. "Looks like I'm closing a little early tonight," she said, shutting one of the blinds. I hopped up and helped her with the rest. As Janice flipped the store's "Open" sign to "Closed", I walked up behind her and ran my hands underneath her shirt, up her back, and around to her tits, kneading them passionately. I kissed the back of neck, occasionally running my wet tongue around to ears. Janice cooed. Her hand reached behind, grabbed my cock, and continued jerking me off.

I pulled Janice's shirt up over her head and undid her bra. As the bra fell away Janice turned around to face me. Her tits were a glorious sight to behold, full, round, and firm. As Janice's hand found my cock again, I took one of her pleasure jugs into my mouth. I ran my tongue around and around her nipple, saturating her areola and titty in my saliva. Then I took as much of her tit into my mouth as I could before popping it out and applying the same treatment to the other, all the while Janice's hand moving quickly up and down my shaft. I could hardly contain myself, eagerly anticipating blowing my load all over her.

Janice smiled at me and said, "I'm hungry. Let's see what's on the menu. I bet it's a meat dish." She dropped to her knees and took my cock into her warm, moist mouth. Groaning, I pulled off my shirt. Hot damn, could Janice suck a mean dick! You'd never know it just looking at her. I could barely stand anymore, so I sat down in a chair and moaned some more as Janice's skilled tongue darted around my balls and shaft. Then Janice slurped on my balls, her hand taking over where her mouth left off on my cock.

The urge to cum was building rapidly, and when I told Janice this it clearly excited her. "Not yet," she said and stood up, undid her pants, and shimmied out of her pants and panties together. In anticipation I quickly pulled of my pants down sat back down. Janice straddled me and lowered her pussy onto my waiting cock, moaning as she did. Her pussy must have been super wet because my cock instantly buried itself to the hilt. She began working my cock up and down with her hot twat, and I leaned forward and buried my face in those fat titties of hers. I was in heaven. "I haven't had my pussy stuffed like this in a long time," she said between pants, tossing her head back and gyrating her hips. I grabbed her around the waist and helped pump her up and down, thrusting up to meet her and each time burying my cock as deep inside her as I could. "You gonna cum soon?" Janice asked.

"I think so," I said excitedly.

"Not if I can help it," she said, flashing an evil grin as hopped off my cock. I groaned, wanting nothing more than to blow my load up inside her sweet pussy. Janice lay down on the ground, spread her pussy lips with her fingers, and said, "I think there's something on the menu for you too. Hope you're not a vegetarian." Between her directness and watching her spread those luscious lips, I was even more turned on, if that was even possible. I got off my chair and made a nose dive for her wet, waiting twat, immediately plunging my tongue inside. Man, did she taste great! Eagerly I licked my way around her pussy, paying her clit special attention. I flicked my tongue over it in short, rapid strokes, and then I stuffed a couple fingers in her twat simultaneously. Janice had been moaning before, but now she seemed on the verge of screaming explosively. Her hips bucked and bucked, grinding into my mouth and fingers with wild abandon. "I'm cumming!" she shouted as I felt a rush of her cum overflow my fingers. I pumped her pussy a couple more times and then grinned at her as I licked her cum off my fingers. Janice lay there for a just moment, regaining a semblance of "composure". "Now it's your turn," she said, pushing me onto my back and taking my cock back into her mouth.

At this point a bomb could have dropped right outside and I wouldn't have cared. I was having one of the best nights of my life, my MILF fantasy finally coming true. Janice's expert tongue and supple hand had me gushing torrents of jizz in her mouth in a matter of minutes. She swallowed every last, milking me completely dry. Afterward we lay together on the floor until my cock grew hard again and we went for round 2. And round 3. And 4! The next morning I had to ask for an extension from my editor as I was in no shape to finish my column that night. A couple days later I arrived at the coffee shop, hoping to see Janice behind the counter and maybe score a quicky in her office. However, one of the head baristas, Clarissa, was tending shop. Disappointed, I approached the register to order. Clarissa made eye contact, snickered, and started writing on a piece of scrap paper. "Nice performance," she said, cutting me off as I asked for a mocha.

"What?" I stammered, not knowing what she meant but mind flooding with possibilities.

"The next time you fuck the shit out of Janice in the shop here, you might want to turn of the security cameras or at least the DVR," she said, sliding the piece of scrap paper toward me. I looked down at the paper. On it was Clarissa's name (with a skull and bones dotting the eye), a phone number, and the words, "For a good time call... SERIOUSLY." "Don't worry – you can still fuck Janice too. I'm not looking for anything serious," she said.

"Works for me," I said. I sat down at a table to wait for my mocha, my mind drifting off into a tapestry of erotica imagery involving Janice and Clarissa. A shit-eating grin made its way across my face. Clearly this was the BEST coffee shop in the world!
